

Villages: Age in Community

REAL 
connections

COMMUNITY
SENIOR
SERVICES 

THE VILLAGE IS

- A group of people who share time & talent
- Volunteer based
- A support system
- A mechanism to give and receive
- Connection to Community Based Services
- Connection to resources
- Support in all aspects of aging:

Bio- Psycho- Social

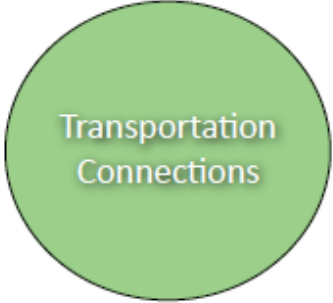

WHAT THE VILLAGE DOES

- Volunteers of all ages to help with everyday tasks like transportation, gardening and shopping
- Access to social, cultural, spiritual, educational activities
- Subject matter experts in gerontology, long term care, reverse mortgages, balance and exercise, nutrition and more
- Vet service providers to do all the things volunteers cannot, most at negotiated rates.
- Fulfilling ways to give back through volunteering

 <p>Social Connections</p>	 <p>Transportation Connections</p>	 <p>Home Maintenance Connections</p>	 <p>Professional Connections</p>
