

Darren Mierau

Darren is currently the North Coast Director for California Trout. He earned a Master's Degree in Biology from Humboldt State University in 1995 and joined CalTrout in 2011. Before joining CalTrout, Mierau worked on numerous North Coast projects as a watershed restoration scientist with the consulting firm McBain and Trush. Darren is currently directing, among other projects, the Eel River 'Headwaters to Sea Initiative', CalTrout's primary restoration focus on the North Coast. He was recently elected Chair of the California Advisory Committee on Salmon and Steelhead Trout. Darren is a native Californian. He lives in Arcata with his wife and two sons.
