AB 175	Galgiani	Medical telemedicine: Optometrists	Expands the definition of "teleophthalmology and teledermatology by store and forward" to include an asynchronous transmission of	Chapter 419, Statutes of 2009	RP

BILL No	AUTHOR	SUBJECT	SUMMARY	STATUS	STAFF
			medical information to be reviewed at a later time, for teleophthalmology, by a licensed optometrist.		
AB 221	Portantino	HIV testing: skin punctures	Repeals permission of Office of AIDS to participate in a rapid HIV test research program conducted with the federal Centers for Disease Control and Prevention. Exempts an HIV counselor who works under a licensed physician and surgeon, and who is trained in rapid HIV test proficiency and universal infection control precautions, as specified, from the requirement that he or she hold a valid certification as a phlebotomist technician in order to perform a skin prick.	Chapter 421, Statutes of 2009	RP
AB 241	Nava	Dogs and cats: breeding for sale	Would have made it a misdemeanor for any person or business entity to have more than a combined total of 50 adult unsterilized dogs and cats for breeding or raising them for sale as pets. Withdrawn from BP&ED Committee and not heard.	Vetoed by Governor	BG
AB 245	Ma	Physicians and Surgeons	Would have require the Medical Board to remove expunged misdemeanor or felony convictions posted pursuant to those provisions within 90 days of receiving a copy of the expungement order from the licensee.	Vetoed by Governor	RP
AB 252	Carter	Practice of medicine: cosmetic surgery: employment of physicians and surgeons (Med Spas)	Would have authorized the revocation of the license of a physician and surgeon who practices medicine with, or serves or is employed as the medical director of, a business organization that provides outpatient elective cosmetic medical procedures or treatments knowing that the organization is owned or operated in violation of the prohibition against employment of licensed physicians and surgeons and podiatrists.	Vetoed by Governor	RP
AB 260	Lieu	Lending	Authorizes Real Estate Commissioner to suspend or revoke licenses, or to deny issuance of those licenses, upon a violation	Chapter 629, Statutes of 2009	BG

BILL No	AUTHOR	SUBJECT	SUMMARY	STATUS	STAFF
			of specified federal lending laws or regulations or upon the violation or failure to comply with specified provisions of state law relating to mortgages.		
AB 318	Emmerson	Bureau of Automotive Repair: inspection fees	Authorizes the Bureau of Automotive Repair to charge a vehicle owner who participates in this amnesty program a fee of \$160 for each referee station inspection conducted pursuant to these provisions and would require the fee to be collected by the referee station performing the inspection.	Chapter 235, Statutes of 2009	GA
AB 356	Fletcher	Radiologic Technology	Revises the definition of licentiate of the healing arts, for purposes of a fluoroscopy permit, to also include a physician assistant who is licensed pursuant to the Physician Assistant Practice Act and who practices under the supervision of a qualified physician and surgeon.	Chapter 434, Statutes of 2009	RP
AB 370	Eng	Unlicensed Contractors	Make a first conviction for acting as an unlicensed contractor punishable by a fine not exceeding \$5,000 or by imprisonment in a county jail for no more than 6 months or both.	Chapter 319, Statutes of 2009	GA
AB 403	Fuller	Dental Hygiene	Provides that the initial insurance premium charge shall be adjusted by applying the same rate of premium charge as initially used to each insurer's written premium as shown on the annual statement for the 2nd year following the year on which the initial premium charge was based.	Chapter 104, Statutes of 2009	RP
AB 456	Emmerson	Dentistry: diversion program	Would have declared the intent of the Legislature that the diversion program established by the Dental Board of California be implemented as both a rehabilitative and monitoring program for licensees whose participation is a component of a probationary or disciplinary action. The bill would delete the requirement that the board close investigations of licensees who self-	Died in Senate BP&ED Committee	RP

BILL No	AUTHOR	SUBJECT	SUMMARY	STATUS	STAFF
			administer or possess controlled substances or drugs and who enter and successfully complete a diversion program, and instead authorize the board to determine when to close or reopen investigations of those licensees, as specified.		
AB 490	Smyth	Pet Stores	Revises the definition of a pet store to exclude the selling, or offering for sale, animals to an agricultural operation for purposes that are directly related to the raising of livestock or poultry on a farm or ranch. Also provides that a rodent or rabbit that is intended as food for another animal may be destroyed by a pet store operator or employee only in accordance with specified conditions, and only if the pet store operator or employee is certified, in writing, by a California-licensed veterinarian	Chapter 446, Statutes 2009	BG
AB 496	Davis	Was: Tire age degradation: consumer disclosure. Amended to: Elections: payment of expenses	As introduced, required a tire retailer to disclose a tire's manufacture date upon sale, and requires a consumer to acknowledge receipt of such information by initialing and dating a statement to that effect. Amended to: An urgency measure, to require the state to reimburse counties for the costs of special elections to fill vacancies of State Senator, Member of the Assembly, United States Senator, or Representative in Congress.	Died in Senate Appropriations Committee	YZ
AB 501	Emmerson	Physicians and surgeons	Authorizes certain persons who are not licensed as physicians and surgeons under the act to use the words "doctor" or "physician," the letters or prefix "Dr.," or the initials "M.D. Authorizes an applicant for a license who is otherwise eligible for a license but is unable to practice some aspects of medicine safely due to a disability to receive a limited license if the applicant pays the license fee and signs an agreement agreeing	Chapter 400, Statutes of 2009	RP

BILL No	AUTHOR	SUBJECT	SUMMARY	STATUS	STAFF
			to limit his or her practice in the manner prescribed by the reviewing physician and agreed to by the board.		
AB 526	Fuentes	Public Protection and physician health program	Would have enact the Public Protection and Physician Health Program Act of 2009, which would have established authorize the agency committee to contract, including on an interim basis, as specified, with any qualified physician health program for purposes of care and rehabilitation of physicians and surgeons, including applicants enrolled in an approved postgraduate training program, with alcohol or drug abuse or dependency problems or mental disorders, as specified. Would have imposed requirements on the physician health program relating to, among other things, monitoring the status and compliance of physicians and surgeons, as defined, who enter treatment for a qualifying illness, as defined, pursuant to written, voluntary agreements.	Died in Senate Appropriations Committee	BG
AB 549	Furutani	Licensure: clinical laboratory personnel	Would have required Department of Public Health to issue a clinical biochemical geneticist license to a person meeting certain requirements.	Vetoed by Governor	RP
AB 560	Skinner	Net Energy Metering	Would have required the standard contract or tariff for net energy metering be offered on a first-come-first-served basis until the time that the total rated generating capacity used by eligible customer-generators exceeds 5% of the electricity distribution utility or cooperative's aggregate customer peak demand.	Died in Senate BP&ED Committee	GA
AB 583	Hayashi	Health care practitioners: disclosure of education	Requires health care practitioners to disclose the type of license and, except as specified, the highest level of academic degree he or she holds either in a prominent display in his or her office or in writing, in a specified format given to a patient on his or her initial office	Chapter 436, Statutes of 2010	YZ

BILL No	AUTHOR	SUBJECT	SUMMARY	STATUS	STAFF
			visit. Requires a physician and surgeon, and an osteopathic physician and surgeon, who is certified in a medical specialty, as specified, to also disclose the name of the certifying board or association.		
AB 602	Price Amended to: Feuer	Was: Opticians Amended to: Land use and planning: cause of actions: time limitations.	Original bill would have required a person engaging in the business of a dispensing optician to be registered biennially with the Medical Board of California. Was amended to revise the statute of limitations and remedies for specified housing-related challenges.. Withdrawn and not heard in BP&ED Committee.	Vetoed by Governor	RP
AB 620	John A. Perez	County Clerks	Changes the minimum size requirements of professional registration cards county clerks must keep to 3.25 by 2 inches, and would delete a provision that requires the issuance of additional cards to employees of legal document assistants and unlawful detainer assistants	Chapter 458, Statutes of 2009	YZ
AB 623	Emmerson	Architects	Would have authorized the California Architects Board to establish comprehensive continuing education requirements if it determines, based upon empirical evidence, that continuing education is in the interest of public health safety and welfare and would require architects to complete that continuing education as a condition of license renewal.	Vetoed by Governor	GA
AB 645	Niello	Professional engineers and land surveyors: licensing	Deletes the requirement that the license expiration date appear on engineering plans or on land surveying documents, revises references to "registered" engineers to refer instead to "licensed" engineers, and makes technical and conforming changes.	Chapter 368, Statutes of 2009	GA
AB 646	Swanson	Physicians and surgeons: employment	Would have revised and expanded an existing pilot project which authorized qualified health care district hospitals, as defined, to directly employ a limited number of physicians and surgeons, as specified, and	Died in Senate BP&ED Committee	BG

BILL No	AUTHOR	SUBJECT	SUMMARY	STATUS	STAFF
			instead allow for health care districts which meet certain requirements, to employ up to ten physicians and surgeons within each district and to provide employment contracts of up to 10 years, and to allow employment contracts to be renewed or extended to December 31, 2020. Would require a study regarding the program to be submitted to the Legislature by June 1, 2018, and sunset the program by January 1, 2021.		
AB 648	Chesbro	Rural hospitals: physician services	Would have established a demonstration project authorizing a rural hospital in a medically underserved or federally designated shortage area to employ up to 10 physicians and surgeons at one time, unless the Medical Board of California (MBC) makes a determination that additional physicians and surgeons is appropriate. Would require a report to be completed by MBC regarding the project by June 1, 2019.	Died in Senate BP&ED Committee	BG
AB 655	Emmerson	Self-service storage facilities	Revises the existing declaration of objection that permits and occupant of a self-service storage facility to object to a lien sale of their items, and makes other related changes.	Chapter 439, Statutes of 2010	YZ
AB 667	Block	Topical Fluoride Application	Would, when topical fluoride services are provided to elementary or postsecondary pupils, specifically include fluoride varnish in the topical applications that may be used and allow application by any person, including a dental assistant	Chapter 119, Statutes of 2009	RP
AB 718	Emmerson	Was: Health care coverage: federally eligible defined individuals: preferred provider products: premium rates. Amended to: Health care coverage	Was: Would have created a pilot program in the Inland Empire Health Plan for electronic prescribing until January 1, 2013.
